

September 4, 2020

Dear Wildcat Family,

It has been a wonderful first week back to school. I can't tell you how happy teachers and students are to be back to some kind of normalcy. It has been so nice to have students back.

Breakfast and lunch are free for ALL students again this school year thanks to a grant from the Department of Agriculture. Parents do not need to fill out any form and students don't need a lunch number. They can just walk through the food line and pick up their meal. Breakfast is being served to kindergarten and 1st graders in the hallway of their building on the way to class and 2nd - 5th graders will walk through the cafeteria line to pick up their breakfast but will take it to their classroom to eat. Digital Academy students are also able to pick up food from Kanapaha Middle School on Tuesdays and Thursdays between the hours of 11:00 - 1:00. Click on this link <https://www.yourchoicefresh.com/meal-apps/digital-academy-meal-service/> to learn more.

For DA families: we received about 75 more laptops from the district on Thursday and reimaged them immediately. We have notified everyone on the waiting list.

We all know that it takes a team to help students reach their maximum potential. Our goal is to work collaboratively to provide an academic program where all students can be successful. Working together, we can ensure that the students of Kimball Wiles continue to achieve to their highest potential in and out of the classroom. Your involvement, partnership, and support are greatly appreciated during the school year as we work to build and maintain our legacy. This year our theme is "**Wildcat Strong.**" The school day begins promptly at 7:45 a.m. **Being on time is extremely important, so please have your child on campus and ready to learn.**

Our wonderful PTA has already begun their work for this school year. What a great support they are for our school. We hope you will join the Wiles PTA this year and show your support for our school. We are working towards covering the outside amphitheater which will be a multi-year fundraising effort.

Please be sure that your child is reading every night whether they are in Brick & Mortar or Digital Academy.

Sincerely,

Katherine L. Munn
