Dear Wildcat Family,

As you already know the district office has changed from printing Progress Reports to having them only available in Skyward (except for kindergarten). Skyward is the official reporting system and that is where all progress is conveyed to parents (not Canvas). If you don't have a Family Access account you will need to email [familyaccessrequest@gm.sbac.edu](mailto:familyaccessrequest@gm.sbac.edu). In the email, please include your full name, your student's name, date of birth, grade level, school name and a picture of a parent ID.

Please remember that there is no supervision for children before 7:15 am. We still have parents dropping off children at school in the morning before the teacher's start time. The school buildings are closed and students must wait outside. It is very unsafe.

Being in school all day, every day helps your child get the most out of school. Encourage good attendance to your child. There is no substitute for being in class whether it be in person or digital. Your child needs to hear the teacher's lessons, explanation to the concepts and be part of the class discussions. It is very disruptive to have students walking in or logging in late to class. It is also easier for your child to get to school on time if he/she has at least nine hours of sleep at night. Set reasonable bedtimes and be sure to put those electronics away. Working together we can help get everyone to class on time.

On the back of this newsletter is our first group of "Wiles Leaders" for Brick and Mortar and Digital Academy students for the month of September. Is your child's name on the list? We hope so! We expect all **Wiles Wildcats** to **ROAR** (**R**esponsible - prepared/safe, **O**wnership - follow rules/make smart choices, **A**chieve - work hard/growth mindset, and **R**espect - yourself/others). Encourage your child to model those great behaviors each day and soon your child's name will be on the list of Wiles Leaders.

Sincerely,
