

October 30, 2020

Dear Wildcat Family,

Come join our Wildcat Dad's group for a 'Haunted Drive Thru' in our new parking lot this **Saturday, October 31st** from **5:30 - 8:30 pm**. There will be fun for all.

This weekend Daylight Saving Time ends so remember to set your clocks back one hour.

Thank you to all the parents that emailed the school to let us know you would be returning to Brick and Mortar on **Tuesday, November 3rd**. We will be sending out emails to those families with classroom assignments and school safety procedures.

Mosquitos on campus are really bad (especially before school). We have contacted the Alachua County Health Department and, unfortunately, the county doesn't spray for adult mosquitos. Please plan accordingly in the mornings before sending your child to school. Please **do not send** in aerosol spray bottles of bug repellent with students. One suggestion that came from Google was to use a dryer sheet and rub it on your skin to keep the bugs from biting.

There is no school on **Friday, November 6th** for a Teacher's Workday and also on **Wednesday, November 11th** in observance of Veteran's Day.

**PICTURE DAY** for Digital Academy students is scheduled for **Tuesday, November 10th**. Your child's DA Teacher will be sending out the scheduled time for your child to get their picture taken. Please remember these are the pictures that will be used for the 2020 - 2021 Wiles' Yearbook and the ones that are placed in Skyward. Also, those students who returned to Brick and Mortar November 3rd or needs a picture retake, were absent or new to Wiles after our initial picture day will also have their picture taken that day.

Third through Fifth grade Title 1 parents should be sure to check your email for the FSA/Homework videos that were shared with you. Please take time to fill out the Google Form after you have viewed it. We have a special prize for the first 25 parents who complete it.

Have a wonderful weekend.

Sincerely,

*Katherine L. Munn*
